NON-DISCLOSURE AGREEMENT

This Non-disclosure Agreement is entered on this ____ day of _____, 20___ ("Effective Date"), in order to protect certain business sensitive, confidential, or proprietary information which may be disclosed between_____("CLIENT") and Applied Consumer Services, Inc. ("ACS"), hereinafter referred to individually as "party" or collectively as "parties".

ACS agrees and acknowledges on the above date, all product testing or sample information and other data or materials provided by the CLIENT, presented to ACS and/or its' associates and/or employees, regarding the proprietary/patentable concepts following here:

_____

will be held in the strictest confidence for a period of _____ years from the above date. In addition, any related proprietary discoveries made by either party during this and any future project will also be held in confidence. Such information will not be disclosed to any other parties or used for any other purposes other than those expressly authorized in writing by the CLIENT, his/her attorney, or assignee. These disclosures and inventions regarding the proprietary and patentable concepts and associated disclosures regarding the formulas used will be regarded as intellectual property of the CLIENT. ACS agrees not to use, directly or indirectly, any and all proprietary information related to this project, for the benefit of any person, firms, or corporations other than the CLIENTS. All work will be conducted on the best effort and professional basis, but no liability can be assumed by ACS. If the CLIENT requires liability protection for any stage of the project, liability insurance must be furnished by the CLIENT.

TO ALL OF THE ABOVE, APPLIED CONSUMER SERVICES, INC. AGREES.
